

LED Globes

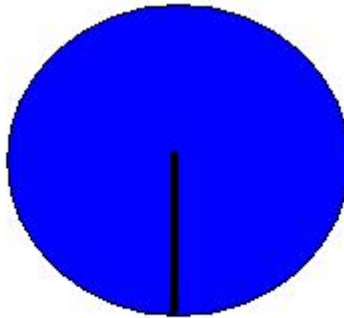

BA15S1224LW

12 Volt BA15S 1156 24 White LED Design with 18 LED's on top of globe with a ring of 6 below to give 360 degree light angle 1 Pc/Pack draws 0.17amps @ 13.8v

Ideal for reverse lamps on s/wagon, utes, vans and other applications such as work lamps. Best suited to work best for lamps that have a minimal side reflector with original globe pointing straight out as these leds have 18 leds pointing straight and 6 leds pointing to the sides these will suit these applications better commonly than the led globe replacements that have more leds at the sides.

1 Unit Per Pack
