

(DRL) Daytime Running Lights

BRITE LED TECH PRODUCT

Part No: BL-DRL2

2 Year Warranty

Pair M/Volt 10-30v 5W DRL Daytime Running Lights with 5 x 1W CREE LEDS fully waterproof making them ideal for front of vehicles, kit comes with wiring harness, lamps simply have 3 wires coming out of the rear being positive and negative feeds and 3rd being so you can connect to the headlights so that when headlights turned on then the DRL lamps will turn off, this is just an option and you do not have to connect this way, you can just use the 2 wires pos and neg and connect via a switch if prefer and harness can connect through a switch or connect to fuel pump relay for continuous on when vehicle running
